PRIČA OBLIKOVANA OTOCIMA VRSARA

Kroz 25 godina rada u nautici, osobito u segmentu brodova i vodenih sportova, stekli smo iskustvo koje nas je dovelo do stvaranja vlastite linije plovila. Tijekom godina isprobali smo različite vrste brodova, što nam je pomoglo jasno definirati ono što doista želimo: plovila koja spajaju sigurnost, funkcionalnost i vrhunski dizajn. Upravo zato odlučili smo izgraditi vlastitu liniju plovila – osmišljenu prema stvarnim uvjetima rada i potrebama gostiju, s naglaskom na stabilnost na otvorenom moru, praktičan raspored prostora i maksimalnu udobnost tijekom cjelodnevne plovidbe. Rezultat je plovilo nastalo iz iskustva, strasti i duboke povezanosti s Mediteranom. Naziv naše tvrtke, Navigati – što na istarskom dijalektu znači „navigirati“ ili „voditi“ – odražava upravo to: ne nudimo samo plovidbu, već vas vodimo kroz pravo iskustvo mora.

A STORY SHAPED BY VRSAR ISLANDS

Over 25 years of working in the nautical industry, specifically in the fields of boats and water sports, we have gained the experience that ultimately led us to create our own line of vessels. Throughout the years, we tested and worked with many different types of boats, which helped us clearly define what we truly wanted: vessels that combine safety, functionality, and outstanding design. That is why we decided to build our own fleet – designed around real working conditions and the actual needs of guests, with a strong focus on stability at sea, practical layouts, and maximum comfort during full-day cruising. The result is a vessel born from experience, passion, and a deep connection with the Mediterranean. The name of our company, Navigati – which in the Istrian dialect means “to navigate” or “to guide” – reflects exactly that philosophy: we do not simply offer boating experiences; we guide you through the true spirit of the sea.

NAŠE BRODICE

Našu flotu gumenjaka inspirirali su otočići vrsarskog arhipelaga — svaki drugačiji, ali zajedno čine jednu lijepu i skladnu priču. Upravo tako smo zamislili i naša plovila: svako ima svoj karakter, svoju namjenu i svoj "osjećaj", ali svi zajedno dijele istu ljubav prema moru.

OUR BOATS

Our fleet of RIB boats was inspired by the small islands of the Vrsar archipelago — each unique on its own, yet together forming one harmonious and beautiful story. That is exactly how we envisioned our vessels: each with its own character, purpose, and feeling, while all sharing the same love for the sea.
